STATE OF NEW HAMPSHIRE

(L.S.) To the Inhabitants of the Town of Shelburne, in the County of Coos, in said State, qualified to vote on town affairs:

You are hereby notified to meet at the Town Hall in said Shelburne on Tuesday, the twelfth day of March next, Polls open 6 P. M., close 10 P. M., to act on the following subjects:

1. To choose all necessary town officers for the ensuing year.
2. To hear the reports of town officers heretofore chosen and pass any vote relating thereto.
3. To hear the report of the budget committee and act thereon.
4. To raise such sums of money as may be necessary to defray town charges for the year ensuing and make appropriation of the same.
5. To see what sum of money the town will vote to raise and appropriate for the maintenance of town highways and bridges.
6. To see what sum of money the town will vote to raise and appropriate for police.
7. To see what sum of money the town will vote to raise and appropriate for fire protection.
8. To see what sum of money the town will vote to raise and appropriate for fire trails and fire roads.
9. To see what sum of money the town will vote to raise and appropriate for insurance.
10. To see what sum of money the town will vote to raise and appropriate for the library.
11. To see what sum of money the town will vote to raise and appropriate for public welfare.

12. To see if the town will vote to observe Old Home Week during 1957 and raise and appropriate a sum of money therefore.

13. To see what sum of money the town will vote to raise and appropriate for the general care and upkeep of the Town Memorial Forest.

14. To see what sum of money the town will vote to raise and appropriate for the care of cemeteries.

15. To see what sum of money the town will vote to raise and appropriate for the town's share of co-operative participation in the White Mountains Region Association.

16. To see what sum of money the town will vote to raise and appropriate for the use of the Roadside Improvement Committee for the care, improvement and upkeep of the town's roadsides.

17. To see if the town will vote to raise and appropriate the sum of \$5,500.00 for the town share of State Aid Bridge at Hubbard Brook, if application is not accepted by the State, this sum would be used to paint the river bridge at Shelburne village.

18. To see if the town will vote to abolish the office of road Commissioner and authorize the Selectmen to conduct the duties of said office.

19. To see what sum of money the town will vote to raise and appropriate for repairs and grading at Town Hall.

20. To see if the town will vote to abolish the Library Reserve Fund of \$964.56.

21. To see if the town will vote to authorize and direct the Selectmen to accept in the name of the town, the title of the School District property, including the school house and land, providing the Cooperative School District of Gorham, Randolph and Shelburne is formed, with a further provision that the town will lease said school property to the Cooperative School District of Gorham, Randolph and Shelburne for use as a school for such time as it will be needed for this purpose.

22. To see what sum of money the town will vote to raise and appropriate for interest on temporary loans.

23. To see if the town will vote to authorize the Selectmen to administer or dispose of any real estate acquired by the town through tax collector's deeds.

24. To see if the town will authorize the Selectmen to distribute the inventory blanks when taking valuation.

25. To see if the town will vote to authorize the Selectmen to borrow money in anticipation of taxes.

26. To transact any other business that may legally come before said meeting.

Given under our hands and seal this twenty-fifth day of February in the year of our Lord nineteen hundred and fifty-seven.

C. B. EVANS

VICTOR L. KIDDER

ROLAND F. HAYES, SR.

Selectmen of Shelburne

SHELBURNE ROADSIDE IMPROVEMENT COMMITTEE

Feb. 16, 1957

To the Honorable Board of Selectmen
of the Town of Shelburne:

Shelburne Roadside Improvement Committee wishes to submit the following report:

Part of the work of roadside improvement is to remove unsightly objects. On North Road cut trees were collected to fill ten pick-up trucks. The wood was distributed as the town officers and the committee agreed.

The entire distance from the State line to the Country Club was cleared of waste paper and bottles in one operation.

A beginning was made to reconstruct the "Stone Fish."

Shrubs were planted at the school building with no expense to the town except the wholesale price of the shrubs.

The "Entering Shelburne" sign which had been damaged by vandals was repaired.

A sign was painted for the picnic ground at Connor Brook.

Negotiations with the State's committees will result in the "Shelburne Birches" being included in the next issue of the map of New Hampshire.

Through the Committee's effort the unsightly banks and other areas left by the Telephone Company vehicles were repaired by the Telephone Company.

Negotiations with the Brown Co. have resulted in a better understanding of the way their jobbers will cooperate with a view to protecting the roadside.

Received permission from Mr. Terrell to clear the shore of a small pond on his property.

Respectfully submitted,

VICTOR L. KIDDER, Chairman
L. BARKELEY H. GOODRICH

POLIO

During the year 1956, two Salk Vaccine Clinics were held in Gorham, sponsored by the N. H. State Department of Health in cooperation with the School Nurse and the Supt. of Schools. The towns of Cascade, Gorham, Randolph and Shelburne were included in these clinics.

From the town of Shelburne, 131 children between the ages of six months and twenty years of age, received the vaccine. These were first and second shots only.

In 1957 we will hold clinics in January, March and June, for first, second and third shots.

I would like to thank the people in Shelburne for their cooperation in making these clinics a success, and at any time I hope they will feel free to call on me if I can be of any service to them.

ELEANOR KENNEY

Public Health Nurse, Coos County

To the above may I add my personal thanks and that of the National Foundation, to those who generously gave to the March of Dimes, and my special thanks to those who so willingly helped to make the Mothers' March possible.

LAWRENCE E. PHILBROOK,

Local Chairman

REPORT FROM THE WHITE MOUNTAINS REGION ASSOCIATION

Thanks to the fine co-operation of the towns in our Region, the Association has been able to carry on an extremely busy program aimed, as always, toward the benefiting of the entire northern part of New Hampshire.

To this end we have co-operated wherever it has been possible with any and all agencies that have been working along any lines that promised eventual benefit to any sort of business within our state and region borders. This is in line with the original Region concept, that pooling of efforts can accomplish more than can be done by a lot of separate, smaller and unco-ordinated efforts. Nevertheless, along with this we continue our own individual projects and plans, where these promise to be more directly productive.

Again we have distributed all over the United States nearly 100,000 pieces of promotional literature of all types—maps, lists of places to stay, picture folders, hunting-and-fishing folders, and winter-vacation brochures. We know these arouse interest and bring business because people write for them from all over the map; they also tell us later on that these folders were of definite help in causing them to decide where to spend their vacation time—AND MONEY! Your town was represented in each and every one of these folders.

Our 4-H Awards Program continues to encourage boys and girls to take part in, and do better in, this fine and worthwhile program. Through cash awards to members and clubs, we are proud to be helping these youngsters to be the constructive farm citizens of our Region in the future.

We have planned and co-operated with the planning and carrying out, as well as the publicizing of Old Home Days, Woodsman's Contest, Guides' Show, Community Festivals, Horse Shows, and the-like, as well as planning and set-

ting up one of our own, the White Mountains Region Art Center. We have spent a lot of time on the road, attending shows visited by hundreds of thousands of people in Boston, Hartford, and Philadelphia, and are planning more of such work.

As to results, we have again run a mail survey to find out what good we were accomplishing. From just one small sample (10% of 4000 of our mail requests, we turned up 148 parties numbering 440 people who came here. Only part of those told us how much they spent here, but that small part spent \$18,571.00! Seems unbelievable until you realize you can't get by vacationing on much less than \$7.00 a day. Anyway, what they alone spent means that from that small group came back into this Region 2½ times the total amount appropriated by our towns.

What this means to every taxpayer is that much money, either direct income or tax income, came here to help take the burden off the local people. The man who never sees a tourist would be paying much more on his tax bill all through this state if visitors were not paying a substantial share of the freight! With your help, we'll continue to do our part in keeping the money coming in.

Respectfully submitted,

DAVID S. CASSEDY,
Executive Secretary.

REPORT OF MEMORIAL TOWN FOREST COMMITTEE

Receipts

Appropriation by Town	\$150 00	
Total receipts		\$150 00

Payments

Curtis Hardware, Flag and rope	\$11 00	
Roland Hayes, Jr., Labor, Mowing	10 00	
Richard Hayes, Labor, Mowing	5 00	
Roland Hayes, Labor	11 20	
Northern Sign Service, Painting signs	8 00	
L. E. Philbrook, Fertilizer, chain	16 20	
Total payments		\$61 40
Unused balance		\$88 60

When we asked for the appropriation that was voted last year we had plans for improving the Town Forest that did not materialize. For the most part only general maintenance was possible, and that we believe was well done. The unused portion of the appropriation, of course, reverts to the general funds of the Town.

During the past year we were disturbed by the mis-use of the area—waste left by parkers and peeling of the birches. We have had small signs made—asking for cooperation from the public. Because a major part of the mis-use seemed to come from night time parking we have planned and have secured the materials necessary, to prevent cars from being driven into the picnic area. There will still be plenty of opportunity for car parking parallel to the roadway and this change will in no way limit the use of the area as a picnic spot. The large signs at each end of the Forest are in the

process of being repaired and repainted. We are indebted to the State Highway Dept. for the picnic bench. The area continues to be of great interest both as a Memorial and as a beauty spot which brings much fine publicity to the Town.

This is a good deal of thinning—some cutting and a lot of brush and weed tree removal that should be done which would improve the stand from both a landscaping and a forestry point of view. If the roadside is to be kept in its present fine condition a good bit of replacement planting should be done. At various points the birch growth is thin and there is almost no birch re-production due to the heavy shade.

Respectfully submitted,

RALPH PEABODY,

ROLAND HAYES, JR.

L. E. PHILBROOK,

Memorial Forest Committee.

SCHOOL WARRANT

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the School District in the Town of Shelburne qualified to vote in district affairs:

You are hereby notified to meet at the Town Hall in said Shelburne on the 13th day of March, 1957 at 7:30 o'clock in the evening to act upon the following subjects:

1. To choose a moderator for the ensuing year.
2. To choose a clerk for the ensuing year.
3. To choose a member of the school board for the ensuing three years.
4. To choose a treasurer for the ensuing year.
5. To determine and appoint the salaries of the school board and truant officer and fix the compensation of any other officers or agents of the district.
6. To hear the report of agents, auditors, committees, or officers heretofore chosen, and pass any vote relating thereto.
7. To choose agents, auditors, committees, in relation to any subject embraced in this warrant.
8. To see what sum of money the district will raise and appropriate for the support of schools, for the salaries of school district officers and agents, and for the payment of statutory obligations of the district and to authorize the application against said appropriations of such sums as are estimated to be received, the school board to certify to the selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town.
9. To see if the school district will vote to petition the State Board of Education to become a part of a cooperative

school district of the region comprising Gorham, Randolph and Shelburne to provide for the educational needs and services of all elementary and secondary school children.

10. If the preceding article is adopted, to see if the district will elect two representatives to serve on an interim committee, including representatives from the other districts, who shall prepare a financial budget for the operation of the proposed cooperative school district; and include in the warrant for the organization meeting an article calling for an appropriation for the operation of the proposed school district during the first year, and such other items of business as need to be acted upon at the reorganization meeting.

11. If articles number 9 and 10 are not adopted, to see if the district will elect a committee of three to work with and advise the School Board relative to the future problems of school organization in the district, making recommendations regarding an addition to the present building; sending all pupils above grade three to Gorham, or any other matters pertaining to construction or tuition, and report back to the District at a later date.

12. To see if the District will vote to authorize and direct the school board to transfer the title of the School District property, consisting of the school house and land, to the town, providing the Cooperative School District of Gorham, Randolph and Shelburne is formed, with a further provision that the town will lease said school property to the Cooperative School District of Gorham, Randolph, and Shelburne for use as a school for such time as it will be needed for this purpose.

13. To see if the District will vote to employ a part-time music teacher in conjunction with several other Districts in Union #20, and raise and appropriate the sum of \$159.10 as its share of the salary of said music teacher.

14. To see if the District will vote to buy a new school bus, and appropriate a sum of money, not to exceed \$4,500, therefor, and raise said sum through issuance of serial notes on credit of the District.

15. To see if the District will vote to authorize the School Board to make applications for and to accept in the name

of the School District for school purposes such funds or grants-in-aid as may be obtainable from the state, federal government or any other agency or department.

16. To transact any other business that may legally come before this meeting.

Given under our hands at said Shelburne this 15th day of February, 1957.

FRANK GREENIER
LUCY ANDREWS
RUTH GUTOWSKI

BUDGET FOR 1957-58

(Compared with Working Budget for 1956-57
and Expenditures for 1955-56)

	Amount Spent 1955-56	Adopted Budget 1956-57	Proposed Budget 1957-58
Salaries of District Officers	\$ 160.00	\$ 160.00	\$ 160.00*
Superintendent's Salary (Local Share)	240.00	170.00	202.50*
Tax for State Wide Supervision	88.00	94.00	94.00*
Salaries of Other Administrative Personnel	112.00	95.00	114.00*
Supplies and Other Expenses	113.90	115.38	130.00*
Teachers' Salaries	2,611.80	2,850.00	3,150.00
Books and Other Instructional Aids	124.81	125.00	150.00
Scholars' Supplies	170.16	100.00	150.00
Supplies and Other Expenses	99.85	50.00	50.00
Salaries of Janitors	420.00	500.00	500.00
Fuel or Heat	17.00	300.00	350.00
Water, Lights, Supplies and Expenses	148.38	100.00	125.00
Repairs and Replacements	394.26	600.00	400.00
Health Supervision	77.98	135.00	135.00
Transportation	1,919.75	2,000.00	2,040.00
Tuition	5,459.41	7,900.00	10,250.00
Special Activities and Special Funds	115.00	175.00
Retirement	199.51	245.91	256.39*
Insurance, Treasurer's Bonds and Expenses	75.00	80.00	130.00
Lands and Buildings	600.00	150.00
Additions and Improvements	400.00
New Equipment	4,153.33	500.00	75.00
Principal of Debt	1,000.00	1,900.00
Interest on Debt	72.75	47.50
Totals	\$16,657.79	\$18,282.79	\$20,786.89

Total School Budget	14,305.00	18,282.79
Raised by Local Taxation	13,851.11	17,782.79
Requested Appropriation, March 1957		\$20,786.89†

*The starred items are required by law to be raised as determined by proper authorities. The district determines the salaries of the district officers. The Supervisory Union Board decides the local share of the superintendent's salary and other Union Expenses. The share paid by several districts toward the superintendent's salary for 1956-57 is as follows: Dummer, \$130.00; Gorham, \$2,720.00; Jefferson, \$390.00; Milan, \$460.00; Randolph, \$130.00; Shelburne, \$170.00. The state treasurer reports the amount of per capita tax, while the Teachers' Retirement Board assesses the amount for teachers' retirement and the State Employees' Retirement Association assesses the amount for the Superintendent's retirement. In those towns that are under the Social Security System the amount to be paid by the district is determined by the Federal government.

†Any balance at the end of the fiscal year will be deducted from this amount.

REPORT OF SUPERINTENDENT

To the School Board and the Citizens of the Shelburne School District:

Foreword

Two significant programs were conducted during this past year which should have a decided effect on the education of our young people. The first was an extensive testing program, which the nine North Country Supervisory Unions conducted in cooperation with the State Dept. of Education. All of the pupils of Union 20 in Grades one through eight were given an intelligence test and an achievement test. After the tests had been administered and corrected, the results were sent to the State Dept. of Education where they were analyzed and tabulated. Three standards or norms were set up; one for the North Country, one for each Union, and one for each school district.

The results were returned to each Superintendent so that he could see how his Union as a whole and how each district, school and grade, compared to the total results. I would like to say that Union 20 scored very well in the program and was above the North Country norms and National norms in a majority of the subjects and grades. Of course, some districts in the Union did better than others, but the important thing is to make constructive use of the results.

From the results we can determine what subjects seems to be causing us the most difficulty, what grades seem to be the weakest, and how individuals compare with others of their age, grade and ability. Teachers attended a workshop last fall where the results were explained, and how the individual teacher can best use them. I definitely feel that by knowing how we stand compared to others, and compared to the ability each pupil has to start with, the teachers will be able to help each pupil improve in subject matter, and social growth.

A second program which will aid our schools and pupils was a Guidance Workshop held last October for all the teachers of Union 20. Outstanding speakers in this field spoke to and discussed with our teachers some of the principles that underlie a good guidance program. A committee was formed to set up a cumulative record system so that teachers will have a better knowledge of each child from the kindergarten through the twelfth grade. By knowing each student better, teacher will be able to give him better instruction and will be able to counsel him better in his immediate problems. By having a guidance program in our schools, counselors can do better in helping students choose their high school subjects so that they are qualified to go on to college or to go into a vocation, whichever might be their choice.

Enrollment and Attendance

There are now 25 pupils enrolled at the school in Grades one through four. The projected enrollment for the above grades for the next five years is as follows:

	1	2	3	4	Total
1957-58	8	13	7	3	31
1958-59	13	8	13	7	41
1959-60	6	13	8	13	40
1960-61	7	6	13	8	34
1961-62	9	7	6	13	35

Because of the great number in the four grades, the School Board in keeping with the Citizen's Study Committee of 1955 has arranged to send grade four to Gorham for one year, starting in Sept. 1957. The Gorham School Board will not commit itself to accept the fourth grade beyond June 1958 until the vote has been taken on the Cooperative School District. Please see the section regarding the Warrant for addition information about enrollment.

The percentage of attendance showed an improvement; 96.8% was the figure for 1955-56 compared to 95% for the previous year. The number of tardinesses was reduced from 13 to 2.

Tuition

At the present date Shelburne has 32 pupils attending school in Gorham from Grades 5 through 12 and 2 pupils

in Berlin High School. This number will be increased by 2 next year. It was anticipated last year that the number would level off, but new families moving into the district have instead, increased the number of tuition pupils.

Gorham's rate for tuition for 1957-58 will be \$220 for the elementary grades and \$325 for the high school. Berlin's tuition rate for the same year will be \$350. The average tuition rate for 1957-58 that can be charged without contract is \$354 for high school and \$231 for the elementary grades; these figures are supplied by the State Dept. of Education. In addition to the average tuition for the high school, both Berlin and Gorham can by law charge a 2% rental fee to the sending district based on a formula as devised by the State Dept. of Education. Neither district has as yet made this charge for rental on capital investments.

Budget

The total budget as recommended by the School Board for the school year 1957-58 is \$20,786.89 as compared to \$18,282.79 raised last year. The increase is a result of more tuition pupils going to Gorham and Berlin and an increase in the rate charged for tuition by these two districts.

The Board is also putting money into the budget to increase the teacher's salary to the recommended minimum of \$3,000. This figure will probably have to be increased annually if the supply of teachers continues to be so small. Other items in the budget are increased, as the prices of supplies, fuel, books and lights continue to rise. The full balance left on the present bus is being paid and a sum is in the budget to tar the school yard.

Warrant

The next few years are very critical to the educational plans of Shelburne and it will take very serious thought to decide which course of action to take for the good of the district and its children. As one can see from the number of children in Shelburne, the school budget is going to continue to increase. Briefly, I would say that Shelburne will have to decide to do one of the following things and special articles in the warrant call for action on the part of the voters:

1. Will it be best to join the proposed Cooperative School District with Gorham and Randolph?
2. Should the District decide to add another room to the present building and keep more grades in Shelburne?
3. If the Cooperative Plan is not approved, should the District petition the Gorham School District to take pupils in Grades four through twelve on the actual per-pupil cost plus the allowable 2% rental for capital investment.

The school population in Shelburne has shown a steady increase since 1945. At that time there were 25 attending school, 9 of which were on a tuition basis. At the present time we have 58 in school, of which 33 are on a tuition basis. The projected enrollment tuition count of 62 pupils in grades 4-12, by 1961.

There are several special articles in the warrant relative to the above problems. One is the petitioning motion for entrance into the Cooperative School District. This type of organization I feel would be the best for Shelburne in the long run and from all studies that I have been able to make, it would be less expensive for the District under this plan. It allows much more flexibility in planning and operation. Such a plan does mean however, that Shelburne would lose her identity as a separate School District, but in turn would have representation on the board that makes the policies for two-thirds of its school population. Shelburne would also own a proportionate share of the buildings now located in Gorham by paying a proportionate share of the buildings now located in Gorham by paying a proportionate assessment over twenty years. A written guarantee cannot be given that the Shelburne School would be kept open forever; however, a resolution could be passed at the organizational meeting of the Cooperative District directing the new District to keep the school open. The many advantages of this plan to the District, and particularly to the students, are too numerous to mention here, but it is hoped that each one has acquainted himself with the plan by attending the public meetings, studying the brochure and asking questions.

If the petitioning article is not passed, the voters are asked to set up a committee to work with the School Board relative to the course of action to take in the future to accommodate the increased pupil load in the District.

An article is in the warrant by petition to keep the control of the school in the town rather than turn the property over to the Cooperative District, if that plan is adopted. This would be done by having a special article in the town warrant also, and the town would lease the school property to the Cooperative District, if it is formed, for a school as long as it would be needed. If the need no longer existed and the building was not used for a school, then the town would have control over its future use and not the Cooperative District.

A fourth article that is included in the warrant would permit the School Board in cooperation with the several other Districts in the Union to hire a part-time music teacher. The cost to Shelburne would be \$159.10 for the year and the teacher would spend more than an hour a week in the Shelburne School. This is one area where the curriculum of the school is weak and the passage of this article is strongly urged.

A fifth problem to consider is the purchase of a new and larger school bus. The present bus was purchased two years ago when the enrollment was 46 and only 22 of this number were going to Gorham. Next year, the potential number going to Gorham is 34, and while the capacity of the present vehicle is 36, this is rated by grade school pupils, and high school people need more room than 4th and 5th graders. If Shelburne decides to add on to the present building, the potential number in the grades would be 48 in 1958 and 51 in 1959, most of whom would be transported. It would seem necessary that a change in the size of the bus is needed and it would appear wise to turn the present bus in when it is in good condition.

School Calendar

The following calendar has been proposed and adopted by the school board for the year 1957-58:

First Term

September 9, Monday, School Opens

(Session to 12:30 P. M.)

November 27, Wednesday, School Closes 12:30 P. M.

December 2, Monday, School Opens

December 20, Friday, School Closes

School Term in Days — 73

Second Term

January 6, Monday, School Opens

February 21, Friday, School Closes

School Term in Days — 35

Third Term

March 3, Monday, School Opens

April 18, Friday, School Closes

School Term in Days — 37

Fourth Term

April 28, Monday, School Opens

June 19, Thursday, School Closes

(If 180 days have been completed)

School Term in Days — 35

Days Out

October 17-18 — Teachers' Convention

November 28-29 — Thanksgiving Recess

April 4 — Good Friday

May 30, Friday, — Memorial Day

Conclusion

My associations and experiences with the citizens of Shelburne have been very pleasant during my two years as Superintendent. I would like to thank the School Board, the teachers, pupils and parents for their cooperation.

Your committee and myself have put in considerable time studying the facts regarding the Cooperative School District. I have tried to state my position in the above paragraphs regarding my recommendations, but if the plan is not adopted,

I will continue to work as diligently as ever to give Shelburne the best schools possible.

GORDON R. TATE

Superintendent of Schools

IN APPRECIATION

The School Board and Superintendent of Schools wish to take this way of expressing their appreciation to those people in Shelburne who gave of their time and labor last summer to improve the school grounds. Everyone will agree that the school area is much improved and that the children have an excellent place to play. The District was awarded a prize by the N. H. Roadside Improvement Association for the project. Names of the workers are not being listed as we do not wish to hazard the possibility of leaving someone's name off the list, but your school officials do appreciate your efforts.
